TESTIMONIAL

"My dad had just recently purchased a vehicle through Costco. Shortly thereafter, Saxon Fleet Services came down to Landmark to educate us on the vehicle program available to the coop members. After learning about the opportunity to take advantage of substantial savings, I decided to give Jason Saxon a call. Since the pricing was more than competitive, and the experience was wonderful, I decided to purchase my F-250 through Saxon Fleet Services. I will and already have recommended Saxon Fleet Services to other Landmark Services Cooperative members."
